

## Trans-positive Therapists in Wisconsin and Illinois

po box 1272, milwaukee, wi 53201 [tgwarrior@forge-forward.org](mailto:tgwarrior@forge-forward.org) 414-559-2123 [www.forge-forward.org](http://www.forge-forward.org)

Therapists on this list have worked with transgender clients. Some are “experts” in gender issues, while others are therapists with diverse specialties and interests who are very comfortable working with transgender and SOFFA clients. Providers are included on this list because at least three trans/SOFFA individuals have had a positive experience with them. FORGE does not endorse any particular provider. We strongly encourage consumers to assert their rights to screen prospective providers and not settle for professionals who are not respectful and skilled.
