

Trans-positive Therapists in Wisconsin

po box 1272, milwaukee, wi 53201 AskFORGE@forge-forward.org 414-559-2123 www.forge-forward.org

Therapists on this list have worked with transgender and/or gender non-binary clients. Some are “experts” in gender issues, while others are therapists with diverse specialties and interests who are very comfortable and adept at working with trans* individuals and loved ones. Providers are included on this list because at least three trans*/SOFFA individuals have had a positive experience with them. FORGE does not endorse any particular provider. We strongly encourage consumers to assert their rights to screen prospective providers and not settle for professionals who are not respectful and skilled.
